Security: Everyone

Lisa Disks: ProFile Memory Loss

=====

If you suspect that you don't have as many blocks available to store your documents as you should, perform a "repair" of the hard disk. The Lisa 1 Owner's Guide describes the repair procedure on p. D53, while in the Lisa 2 Owner's Guide, it's on p. C24. When given the option to Install or Don't Install, click Don't Install.
