Lisa Pascal Compilers after v. 3.0: Using real numbers with them

=====

In order to use real numbers with Lisa Pascal compilers with version numbers greater than 3.0, do the following:

1. Include in your program the statement:

```
uses {$U Lisa/SaneLib} SANE
```

2. Link your program with:

```
Lisa/SaneLibAsm
```

Do NOT link your program with IOSFPlib.
