AppleShare PC 1.2 and Third-Party LocalTalk PC Cards

======================================================================

This article last reviewed: 22 June 1989

TOPIC -----------------------------------------

This article discusses AppleShare PC 1.2 and its compatibility with
third-party LocalTalk PC Cards.

DISCUSSION ------------------------------------

AppleShare PC 1.2 has the potential for use with third-party LocalTalk PC
Cards.  However, the third-party manufacturers need to write new AppleTalk
Link Access Protocol (ALAP) layers for their cards to integrate into the
AppleShare PC environment.
