Source for Anti-Glare Screens

===

This article last reviewed: 10 August 1989

TOPIC ---

I need an anti-glare filter for an AppleColor 13" RGB monitor. Where can I
find it?

DISCUSSION -----------------------------------

Kensington Microware sells anti-glare filters for a variety of monitors,
including the AppleColor 13" RGB monitor.

For more information, search under: "Kensington"
