HyperCard: "Hey, I Can Print" Substitutes for "Reports!"

=====

This article last reviewed: 13 March 1990

TOPIC -----

The popular "Reports!" software for HyperCard is no longer being sold; the company has gone out of business. Is there any other software available that performs similar functions?

DISCUSSION -----

"Hey, I Can Print" from R & B Software offers functionality similar to the now discontinued "Reports!". For more details, search the Technical Info library under "R & B Software."
