A/UX 2.0: Price Doesn't Include HD160 SC Installation

=====

Article Created: 28 August 1990

### Article Change History

-----

08/31/92 - REVIEWED

- For technical accuracy

### TOPIC -----

Is it possible to order A/UX 2.0 preconfigured on an HD160 SC (either internal or external)?

### DISCUSSION -----

The suggested retail price list doesn't include any configuration for A/UX on an HD160 SC.

If you want to have A/UX installed on an HD160 SC, you need to obtain it on a different medium and install it on the hard drive from there.
