Retrospect: Incompatible with ADIC MacBack 4000/8000

=====

This article last reviewed: 7 January 1991

TOPIC -----

Why doesn't my copy of Retrospect work with the ADIC MacBack 4000/8000 models?

DISCUSSION -----

Retrospect from Dantz doesn't work with the ADIC MacBack 4000/8000 models,
because they are special tape jukeboxes.
