Article Last Updated:

TOPIC -----

Is Apple going to give the LaserWriter IINT new ROMs, so that users can have PostScript 51.8 like in the LaserWriter IINTX? Also, does the new LaserWriter IINTX ROM upgrade work in a LaserWriter IINT?

DISCUSSION -----

No, there is no upgrade planned for the LaserWriter IINT ROMs, nor will the LaserWriter IINTX ROMs work in the LaserWriter IINT.
