DAL: Userbreak Function

=====

Article Created: 12 August 1991  
Article Last Reviewed: 29 June 1992  
Article Last Updated: 29 June 1992

TOPIC -----

Page 191 of the "DAL Programming Guide" talks about a user break function.  
Is it part of the standard DAL distribution?

Userbreak is referred to as a "provided function," but it is not in the  
library. Where can I get it?

DISCUSSION -----

The example in the book is a program fragment. Userbreak is a user-written  
function.
