Macintosh Trash Can: You Can't Hide It, but You Can Stop It

=====

Article Created: 25 June 1991
Article Last Reviewed: 14 July 1992
Article Last Updated: 14 July 1992

TOPIC -----

Can one hide the Trash Can with ResEdit? Or remove the menu item "Empty Trash"?

DISCUSSION -----

You cannot hide the Trash with ResEdit. You can, however, remove the menu item "Empty Trash" with ResEdit. We suggest you get the ResEdit manual or a ResEdit book for steps on how to remove "Empty Trash" from the menu.
