TOPIC ---

How can I get a 90-day evaluation of DAL Server for AS/400?

DISCUSSION --

There is a 90-day evaluation program for the AS/400. To apply for an
evaluation copy, call 408-974-2320 (ESD Licensing), leaving your
name and address. You should then be sent an evaluation agreement and when
the signed agreement is received by ESD Licensing, the evaluation product
will be shipped. The product numbers are:

• B1230LL/A for the 1/4 inch cartridge

• B1238LL/A for the 9-track reel
