Energy Star: Registered Apple Products (9/96)

=====

Article Created: 17 June 1993
Article Revised/Updated: 17 September 1996

TOPIC -----

This article lists the Apple Products that are Energy Star compliant and are registered with the EPA.

DISCUSSION -----

Many of these products require the installation of separate software in order to take advantage of the energy saving features. Check with the product user's guide for use, installation and setup of the energy saving features.
