Article Created: 23 June 1994

TOPIC -------------------------------------------------------

This document accompanies each release of Apple Business Systems Technical
Notes.

DISCUSSION --------------------------------------------------

As of this release, A/UX technical notes have been merged with the Apple
Workgroup Server technical notes. For reference, the A/UX technical notes have
been renamed as follows:

AUX01, SHMAT Limitations is now AWS23
AUX02, Multiple Printers is now AWS24
AUX03, Flushing the data cache is now AWS25

All future technical notes will be released under the Apple Workgroup Server
heading.
