Retrospect: Deleting Files from a StorageSet (8/93)

===

Article Created: 17 August 1993

TOPIC ---

How do I delete files from a Retrospect StorageSet?

DISCUSSION --

You cannot delete files from a StorageSet because most types of storage
devices do not allow it. If you want to keep only selected files from a
StorageSet, you can copy these files to a different StorageSet using
StorageSet Transfer.
