HyperCard 2.0x: A/UX Compatibility (7/92)

===

Article Created: 13 November 1990
Article Reviewed/Updated: 23 July 1992

TOPIC --

HyperCard 2.0x is not 100% A/UX 2.0 Compatible.

DISCUSSION ---

The only incompatibility relates to Sound formats. A/UX will be revised by
Apple around System 7.0's release to be compatible with HyperCard 2.1.
