HyperCard: Font Selection Unavailable in Print Report (8/93)

=====

Article Created: 20 July 1993
Article Reviewed/Updated: 2 August 1993

TOPIC -----

If you delete the Font menu in a stack, you will not be able to select a font from the Font pop-up field in the Item Info dialog box under Print Report.

DISCUSSION -----

To restore the font selection option, reset the menu bar before going to Print Reports. (Type "Reset Menubar" in the message box and press the Return key.)
