AppleScript Scripter's Toolkit: Error on Box (1/94)

=====

Article Created: 11 January 1994

TOPIC -----

The AppleScript Scripter's Toolkit box has an error printed on it.

DISCUSSION -----

Under the "Contents" heading it lists a Data Access Language scripting addition. This item isn't included in the AppleScript retail product (M1730LL/A). However, it is included with the AppleScript Developer's Kit (R0175Z/B) from APDA.
