MAE: Read Me File (9/94)

===

Article Created: 7 September 1994

TOPIC ---

This article contains the MAE Read Me file.

DISCUSSION --

READ.ME for /pub/mae/info 5/12/94

This directory contains general information about MAE for the MAE user
community.

The product-info directory contains the latest MAE product announcements and
reports.

The mae-announce directory contains daily digests of articles posted to the
mae-announce mailing list (see the mail-list.txt file in this directory for
information on how to subscribe to this and other mailing lists).

The mae-users directory contains daily digests of user discussions from the
mae-users mailing list (see the mail-list.txt file in this directory for
information on how to subscribe to this and other mailing lists).

The Product FAQ contains general information about the product and licensing.
This FAQ answers questions about support, pricing and product specifications.

The Technical FAQ contains information of about product performance, tuning,
workarounds and other technical tips.

The Trial FAQ contains information specific to the MAE Trial.

The MAE bug-report-form is a standard form you should use to inform Apple about
bugs and issues related (only) to MAE through mail address
mae-bugs@medraut.apple.com. Note that if you want a response to your problem,
please report it to Apple support at 1-800-SOS-APPL.

Other information willbe posted to this directory as deemed necesessary.

If you would like to post information to this directory, please place it along with a note describing how and where you'd like it posted into the /pub/mae/incoming directory for consideration.

If you would like to post an announcement related to MAE, please subscribe and send mail to the moderated mailing list mae-announce@medraut.apple.com for consideration.
