Eidetic Newton Utilities: Brief Description (6/95)

=====

Article Created: 9 June 1995

TOPIC -----

The following is a brief description of Eidetic Newton Utilities which is available on both Macintosh and Windows diskettes.

DISCUSSION -----

Eidetic Newton Utilities helps the user move information directly from the internal RAM to storage cards and back with the Software Manager. The user may also boost memory instantly with Memory Manager. It also provides users with Shortcuts.

Eidetic Newton Utilities is a StarCore product. Support for this software used with an Apple MessagePad is provided by the Apple Assurance Newton Support Group at 1-800-SOS-APPL (767-2775).
