LaserWriter 4/600 PS: Advantages of Increasing Memory (11/95)

=====

Article Created: 10 July 1995
Article Reviewed/Updated: 6 November 1995

TOPIC -----

What are the advantages to adding additional memory to the LaserWriter 4/600?

DISCUSSION -----

Adding memory to the Laserwriter 4/600 has the following advantages:

- More fonts can be downloaded at one time
- More space is available to store the calculations needed for large or complex images
- More space is available for font caching, which maintains recently used fonts in memory for faster access.
