CLW 12/600 PS: Supported Paper Sizes & Margins (10/96)

Article Created: 29 March 1996
Article Reviewed/Updated: 23 October 1996

TOPIC -----

This article provides the supported paper sizes and imageable areas of the Color LaserWriter 12/600 PS and Color LaserWriter 12/660 PS printers.

DISCUSSION -----

The Color LaserWriter supports printing on US Letter, Legal, A4, and B5 paper sizes. The US version of the Color LaserWriter ships with a 250-sheet US Letter cassette. Legal, A4, and B5 paper sizes can be fed using the included 100 sheet capacity multi-purpose tray. An optional 250-sheet universal cassette tray (M3874G/A) that supports US Letter, Legal, A4, and B5 can be purchased separately. The optional 250-sheet stackable feeder (M3762G/A) includes the universal cassette tray. Full bleed and tabloid printing are not supported by the Color LaserWriter 12/600 PS printer.

The following tables lists the supported paper sizes and their imageable areas when using the LaserWriter 8.3.x drivers. Other paper sizes are not supported due to the design characteristics of the print engine. All of the values are listed in inches.

Begin_Table

+=====+							
Paper Size	Standard Imageable Area			Standard Margins			
	+-----+		+-----+	+-----+	+-----+	+-----+	+-----+
	Width	Height	Top	Bottom	Left	Right	
+=====+							
Letter	7.67	10.49	.43	.43	.43	.40	
+-----+							
Legal	6.72	12.50	.75	.75	.89	.89	
+-----+							
A4	7.47	10.84	.42	.43	.40	.39	

B5	6.79	9.62	.32	.19	.19	.19	

Paper	Maximum Imageable Area		Maximum Margins				
Size							
	Width	Height	Top	Bottom	Left	Right	
Letter	8.32	10.14	.32	.19	.19	.19	
Legal	8.32	13.49	.32	.19	.19	.19	
A4	7.89	11.18	.32	.19	.19	.18	
B5	NA	NA	NA	NA	NA	NA
