Companies That Sell & Service Discontinued Apple Products (9/96)

=====

Article Created: 5 September 1996

TOPIC -----

Do you have any information on any third-party companies who sell, service, and support discontinued Apple products?

DISCUSSION -----

The following companies have advertised their ability to sell, service, provide technical support, or repair selected discontinued products. Software may also be available through these companies. This list does not constitute an endorsement by Apple Computer, Inc. of the companies. Please ensure that the products and services they offer fit your needs, and that they offer return or repair policies that are acceptable to you.

NOTE: This addresses and phone numbers on this list were accurate as of the creation of this article. Apple does not take responsibility for tracking and updating these addresses. This list is provided for your convenience only.
